Finance Committee
State of Connecticut

To Members of the Finance Committee:

My name is Samuel J. Massameno, president and CEO of K-Tech International, Torrington. I have been in business for over twenty five years and employ 24 people. We design, manufacture and sell electronic products to the elevator industry. We have a medical plan that the company pays 75% of the premium and a 401k plan that the company contributes to.

I am writing to voice my opposition to several tax bills before you which would seriously damage Connecticut's economy and our ability to compete and succeed here. These proposals would substantially increase our business costs and make it much harder for us to continue doing business in Connecticut. Specifically, we are opposing: HB-6348, HB-6349, HB-6350, SB-807 and SB-815

We urge you to reject these proposals and work with the business community to encourage economic development and job creation in Connecticut. Thank you.

Sincerely;

Samuel J. Massameno
